

Cape Breeders Club

INTERNATIONAL BREEDING

SEMINAR

26TH AND 27TH AUGUST 2009

SOMERSET COLLEGE

SOMERSET WEST

SPEAKERS 26TH

0830 ROBBIE BYRNE: Equisoft Ireland, stud management software.

TEA BREAK

1015 RAY PAULICK: Editor of the Paulick report and previously editor of America's premier thoroughbred industry magazine The Bloodhorse for 15 years will share his views on the current recession and the thoroughbred industry.

1115 ANDREW FORTUNE: The trials and tribulations of one of South Africa's leading jockeys.

LUNCH

1330 DR. ALASDAIR CAMERON: X-rays from the buying vets perspective.

TEA BREAK

1445 DR. JONTHON PYCOCK: One of England's leading reproductive vets, Dr. Pycock will be presenting lectures on ultrasound and getting difficult mares in foal.

1600 Panel discussion with the days speakers.

1800

AFRICAN FEAST EVENING AT AVONTUUR STUD

SPEAKERS 27TH

0830 GRANT WILLIAMSON: Vinery Stud (USA) Stallion Management

TEA BREAK

1015 RAY PALUICK: Ray will cover some of his more controversial opinions on some of the major topics concerning the industry today.

1100 DR. JONATHAN PYCOCK: Continuation of Dr. Pycock sharing some of his latest research including mechanisms of uterine clearance and what determines susceptibility to endometritis and the use of oxytocin and depot oxytocin as a post-breeding treatment for mares.

LUNCH

1330 PROF. TWINK ALLEN: Sure to be a controversial topic. Dr Allen will be discussing AI and the thoroughbred industry. Given the current court case in Australia as well as other movements around the world this topic is bound to be an interesting discussion.

TEA BREAK

1530 DR. ROY GOTTSCHALK: Flexural deformities and angular limb deformities.
